SENATOR KREMER: Mr. Chairman, I move for the introduction of Request No. 739. The statement of purpose has been laid on your desk. The language in the statutes does not belong there; it's still there and it needs to be cleaned up. That's all this bill does. I move the introduction of the bill.

SENATOR KOCH: Thank you, Mr. Speaker, members of the body. The resolution is explanatory. I only regret that it was not read and adopted on statehood day. The resolution pays credit to the townhall meetings of '76 at which there were 600 held on this nation. It's probably one of the most out-
